EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Jack McKinney Registration no. 45,685 on 3/27/06.

The application has been amended as follows:

In Specification

On Page 10,

Delete whole paragraph, lines 10-24

On Page 11,

Delete lines 1-2

Allowable Subject Matter

Claims 1-25 are allowed.

The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination does not fairly suggest the claimed invention of installing windows installer services on a computer system without rebooting the computer system. Specifically, claims 1, 11 and 21 are directed to reboot suppression for loading

Art Unit: 2191

the install system to temporary directory, setting a path for this install system as the temporary directory and or executing the install system from the temporary directory without restarting the operating system. Therefore, the claimed invention improves the installation process and re-mapping can be done on the fly without having to reboot the computer and continue the installation of the application software so that many installations the customer shouldn't have to restart the installation from scratch.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
